## **Recommendations:**

- Continue to find more avenues for fundraising.
- Continue to collaborate with more organizations (both lay & professional).
- Attend or have materials available for more conferences.
- Apply for more grants.
- Continue to search for more medical advisors.
- Continue to attempt APS mentioned in more publications, including magazines.
- Continue to making more videos and learn how to make podcasts.
- Consider tapping in more social networking sites.
- Consider going to a Board of Directors of 7, including one medical advisor & one public non-APS person.
- Consider making June 9th World APS Awareness Day formally via a bill through Congress.
- Consider making June APS Awareness Month formally via a bill through Congress.
- Consider making a Scholarship fund for those going into the Medical Field.

- Consider making a formal Scholarship fund for APS Research.
- Consider spending the money to get professional press releases written and sent out at \$1000+ each. We thought our followers would help us so we could use our donated dollar towards research needs but without awareness we have nothing.
